THANKS FOR ALL YOUR KINDNESS

Wow, what can I say? The Eagle Family went above and beyond what I could have expected for my wife, Gayle Discoe. The hall decorations, music, and food were all up to Gayle's expectations. I, myself, was blown away with all of the hard work and preparation by all of the Eagles involved. We wanted a celebration of Gayle's life and that is exactly what we received from our Eagle family.

I want to thank everyone for all of their prayers and support during this hard time and for all of the work that went into giving Gayle a send-off from this world to the next. That was truly an exercise of "People Helping People".

Jack Harris

Notes from the Aerie Secretary

I hope everyone is having a great, safe summer. If you have not paid your dues yet, this will be your last newsletter.

Please come in to the club or mail your payment ASAP so you can continue to enjoy what we have to offer.

Drop dates for all delinquent members will be July 15th so let's not get dropped.

Thanks,

Who am I?

I'm an Auxiliary member of The Fraternal Order of Eagles #3224—the same club you belong to, and have been for eleven years. (My how time flies!)

I traveled globally with my job as a consultant, working for a wonderful company based out of Portland, OR. I retired from there about 3 years ago although I did outside consulting work for them after my "official" retirement when they needed my skills. (Turns out, they wanted me 3 weeks out of the month—not exactly what my husband had in mind!)

Most of you may not recognize me, but will have an "Ah Ha!" moment when you hear people say "Oh, that's Les Powell's wife!"

After hearing of the tragic death of Gayle Discoe, clearly beloved by all club members, I volunteered to try my hand at assembling our newsletter. I was warned about having some **really** big shoes to fill. (BOY, is that ever right!)

So, I hope you'll be patient with me and you'll send me any articles you'd want published. I'll do my best to fit them into the coming newsletter. I'll also try to get everything right, **especially your birthdays!**

A special thanks to all of you who have helped me so much with this first edition!

Gail Powell

FROM THE AUXILIARY SECRETARY

This will be the hardest newsletter article I have ever had to write. Instead of writing something that would be going to our newsletter editor, it will be **about** her.

I lost my best pal and friend, Gayle Discoe, as you all probably know. She did so much for our Auxiliary and our Eagle club that most people don't know about. Gayle was a friend to everyone and knew just about every member.

These past couple weeks have been very trying without her to help me with the Auxiliary business and just being around as a good friend. I have reached for the phone to call her many times, only to realize I couldn't. I will miss her "rum cakes" (usually very heavy on the rum) and others will miss her "Frog Eye" salads. I will miss the times when we would be getting a drink and she would always ask, "Is your turn or mine to buy?"

I just know she is in heaven and no longer has any pain.

I will miss your smile and your friendship, Gayle.

HORSESHOE TIME!!

The 2015 Horseshoe Tournaments are just around the corner! The Tourneys left for the season are July 12, July 26, August 9, August 23, and September 13. The complete schedule is posted on the back bulletin board.

Interesting Fact of July

A round slice of carrot looks like the human eye. The pupil, iris, and radiating lines look just like the human eye. And yes, science now shows carrots greatly enhance blood flow and function of the eyes. So, like your mother always told you, "Eat your carrots!"
